YOU ARE FURTHER NOTIFIED that the assessment schedule sets out a classification and assessment which shall be the basis for future repairs and improvements made in this District. The Trustees of Mule Slough Drainage District have tentatively approved the report as filed and has fixed the time for hearing on said report for May 31, 2017, at 6:00 p.m. at the Percival Fire Station in Percival, Iowa.

YOU ARE FUTHER NOTIFIED that all objections to the Reclassification Report must be in writing and filed with the Fremont County Auditor at or before the time set for the hearing. At said hearing the Trustees of the Mule Slough Drainage District shall hear and determine all written objections to the report, and may affirm, increase or decrease the percentage of benefits or apportionment of costs and expenses made in the report against any tract of land in the District, as may appear to the Trustees to be just and equitable.

YOU ARE FURTHER NOTIFIED that at such hearing, the Trustees may hear evidence both for and against the approval of the report or any portion thereof, but it shall not be competent to show that any of the land in the district assessed for benefits will not be benefited by such repairs or improvements to some degree. Any interested party may be heard in argument by himself or counsel.

YOU ARE FINALLY NOTIFIED that if you fail to file a written objection the Trustees of Mule Slough Drainage District could make a final decision, increase your assessment and reclassify your land and as a consequence of your failure to object in writing you would lose your right to appeal a decision within 20 days in the Iowa District Court in Fremont County.

THIS NOTICE is published and mailed as provided by law at the direction of the Trustees of Mule Slough Drainage District.

Dee Owen, Fremont County Auditor
